TABLE OF CONTENTS

OVERVIEW OF THE PROJECT

In this Web-Development Project we were asked to make a webpage about the Made4You client.

Numerous tags including the paragraph tag, title tag, form tag, anchor tag, to name a few were used.

HOME PAGE:

A basic webpage showing information about Made4You was shown, with a creative background.

It describes about the client company Made4You and the services they provide.

SERVICES :

The next tab was about the services they provide. It had detailed description of the services provided by Made4You.

CONTACT US:

This page typically includes a form through which the user can try to contact the client for their queries. It has a submit button which takes to the next tab.

Further the HTML was customized in a creative way using CSS.

We indeed got a lot to learn from this project.

ABOUT THE COMPANY

M4Y is a digital service provider that aims to provide software,
designing and marketing solutions to individuals and
businesses.
At M4Y, it is believed that service and quality is the
key to success.
Founded and Funded by Graphic designers
from Jahirathu Junction, M4Y has now set a new path towards
Digital Solutions.
